Texas Co-op Power is excited to announce our 2012 video contest. This year, we're looking for a 30- to 60-second commercial about your electric cooperative. You can explore any related topic—the history of your co-op, your co-op's community involvement, the seven cooperative principles, energy efficiency, or any other message you can dream up.

We will award up to \$4,000 in prizes

- **\$1,500** to the first-place winner
- **\$500** to the second-place winner
- **\$250** to each of four runners-up
- **\$1,000** to the school sponsoring the first-place winner

The 2012 Co-op Teens Power Texas contest opens January 31 and ends April 1. Students in grades 6–12 whose parents or legal guardians are current members of an electric cooperative in Texas can participate.

Visit TexasCoopPower.com to download the full contest rules and entry forms, and follow Texas Co-op Power on Facebook for contest updates. You can see last year's winning videos at www.youtube.com/TXCOOPPOWER.

We're looking forward to seeing this year's entries. Good luck!
