Lindale ISD Hires New Head Girls Basketball Coach

Lindale ISD is excited to announce the hiring of Mrs. Dalinda Cassell as the new Head Girls Basketball Coach.

Cassell is graduate from Canton High School and Texas A&M Commerce. During her time at Canton High School, Cassell was a 4 year varsity member of the Canton Eaglette basketball team.

After High School, she furthered her career by playing at Trinity Valley Community College (TVCC) where the team was honored as the 2001-2002 Conference Champions. Cassell later transferred to Texas A&M Commerce where she played from 2002-2005.

After graduation, her love for the game led her to begin the journey of coaching. Cassell has coached basketball for the last 12 years, with 6 of those years as a head coach. Her first head coaching job was at Eustace High School (EHS), where she inherited a program that had struggled without success for several decades.

While at EHS for 5 years and upon her departure, the girls basketball program experienced the most successful record in 27 years.

Cassell and her husband Matthew of 9 years have two young daughters together, Kenzie age 5 and Kennedy age 2.

"I am elated to have been chosen as the new leader of the Lindale Lady Eagles basketball program," said Cassell. "I look forward to building upon the strong foundation already in place. I am excited to expand the program, lead the program, and watch our Lady Eagles soar. Lindale is

known for their tradition of excellence and I look forward to building and nurturing a program that our administration and community will be proud of."
