## **LINDALE INDEPENDENT SCHOOL DISTRICT HIRES NEW HIGH SCHOOL HEAD BOYS BASKETBALL COACH**

The Lindale Independent School District is pleased to announce the hiring of Coach Stan Short as the new head boys basketball coach at Lindale High School.

"My family and I are very excited to be Eagles and can't wait to get started," said Short.

Short arrives at Lindale as a veteran basketball coach that began his career as an assistant in Crandall in 2001. He then became the head basketball coach at Crandall High School in 2006. The past three seasons, Coach Short has been the head boys basketball coach at Peaster, where they have averaged more than 25 wins per season.

"Coach Short has a long history of success as a basketball coach," said Superintendent Stan Surratt. "We are very excited about him joining the Lindale Eagles team. We look forward to him leading our Eagles back to the playoffs. Lindale Basketball will be very exciting over the next many years under Coach Short's leadership."

With his new style of play and emphasis on effort and toughness, Coach Short's teams have won five district championships and 12 total championships out of his last six seasons as head coach. During those same six seasons, Coach Short's teams have a combined district record of 65-8.

Short earned a Bachelor's degree at Southeastern Oklahoma and a Master's degree at Harding University.
