

## TEXES Certification Exam Information As of September 1, 2018

The site to register for a certification exam has changed from ETS to Pearson. See guide below.

1. To register for a TEXES Certification Exam go to:  
<http://www.tx.nesinc.com/Home.aspx>

2. Click the 'sign in' button in the lower left hand corner. You can also search testing dates and sites from this home page.

3. Once you click 'sign in', it will direct you to the sign in page. If you have not previously created an account, you will need to create a new account by clicking the 'Create an account now' link below the sign in space.

## Sign In

Please enter your email address and password to proceed.

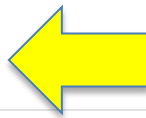

Email Address:

Password:  [Forgot password?](#)

Sign In

Don't have an account? [Create an account now.](#)

4. Please use a permanent email address. Once you create your login, keep it in a location where you can find it for future use. If you use an email that you may not have in a few years, the login retrieval process will not work if needed.

5. Once you login with your new account, you will be able to register for the certification exam needed.
