**LINDALE INDEPENDENT SCHOOL DISTRICT
HIRES NEW LINDALE JUNIOR HIGH PRINCIPAL**

The Lindale Independent School District is pleased to announce the hiring of Mrs. Macie Thompson as the new principal of Lindale Junior High. Thompson is currently serving as the superintendent of Alba-Golden ISD. Previously, Thompson has served as an associate curriculum director for Lindale ISD and as an assistant principal for Lindale High School. She started her career as a high school government and economics teacher before transitioning into an assistant principal for Weatherford ISD prior to Lindale.

“I love Lindale ISD and I feel incredibly blessed to be a Lindale Eagle again,” said Thompson. “Former Lindale Junior High Principals, Jeremy Chilek and Tracie Rand are my friends and colleagues. I am very honored to have the baton passed to me to lead a campus of such high academic achievement and excellence in all areas. The staff of LJH has made this one of the highest performing campuses in Texas and I am excited to work alongside them to continue that tradition of excellence.”

Thompson earned a Bachelor of Political Science degree from Texas A&M University and a Master’s in Educational Leadership from Stephen F. Austin State University.

“We are so excited to have Macie return to our district,” said Lindale ISD Superintendent, Stan Surratt. “She is a fantastic administrator and will be a perfect fit for Lindale Junior High. She has a great passion for students and loves to support teachers. LJH has a great reputation of wonderful principals and Mrs. Thompson will certainly continue that tradition.”
