THREE LINDALE ISD CAMPUSES MAKE HONOR ROLL LIST OF TOP PERFORMING SCHOOLS IN TEXAS

Three Lindale ISD campuses have performed in the top 12 percent of schools in the state of Texas, making the 2023 Honor Roll list. This annual Honor Roll recognizes successful schools that are preparing students to be successful in the workforce and in life.

June 27, 2024 - Three Lindale ISD campuses made the Educational Results Partnership's (ERP) 2023 Honor Roll list of top performing schools in Texas. Those campuses include Velma Penny Elementary, Lindale Junior High, and Lindale High School.

With 835 schools on the Honor Roll, this places these three among the top 12 percent of eligible schools in the state. Results are based on data of student

outcomes on the State of Texas Assessments of Academic Readiness (STAAR) from 2019 through 2023.

This is the ninth year that ERP has completed the Honor Roll list, which recognizes top public schools, school districts and charter schools in Texas that have outperformed their peers in closing achievement gaps, particularly among higher-poverty and historically disadvantaged student populations.

The Honor Roll shines a positive light on schools that are driving a culture where students learn the fundamental skills that employers value and look for. Furthermore, the annual Honor Roll is part of the national Campaign for Business and Education Excellence. The Campaign engages business leaders in recognizing successful schools and educational systems that are preparing students to be successful in the workforce and in life.
