LINDALE HIGH SCHOOL BAND STATE MARCHING BAND CHAMPIONS

The Lindale High School Band earned a Superior Performance Award and won class 5A at the Texas State Military Marching Band Contest sponsored by the National Association of Military Marching Bands at Stephen F. Austin State University.

“It was the deepest and most competitive contest in years,” said Steven Moore, Director of Bands. “I am so proud of this group, they are young and had a little bit of a rocky start to the year, but they kept working and did not give up.”

Every year, NAMMB hosts a state military marching band contest for military bands in the state of Texas. This year at SFA, there were over 10 thousand attendees at the State Military Marching Band Contest.

“We are so proud of our Eagle Band,” said Stan Surratt, Lindale ISD Superintendent. “I have seen a tremendous amount of growth out of this band. To win the 5A State Championship at the Texas State Military Marching Band Contest is truly special and strengthens our reputation as one of the best band programs in the State of Texas.”
