LINDALE ISD HIRES NEW DIRECTOR OF SPECIAL PROGRAMS

The Lindale Independent School District is pleased to announce the hiring of Christy Clouse as the new Director of Special Programs. Clouse is returning to Lindale ISD after spending two years as the Director of Special Services at Dripping Springs ISD.

"I am grateful for the opportunity to return as the Director of Special Programs for Lindale ISD. Lindale ISD is committed to providing an excellent education for all students and to building lasting relationships within the school, home and community. I am looking forward to joining this team that loves, serves and cares for amazing children and their families!"

Previously, Clouse served as the RTI and Special Education Coordinator for Lindale ISD, as well as an Educational Diagnostician. She has also served as the Director of Special Education for the Cherokee County Special Education Shared Services Arrangement (CCSSA) since 2012.

"Mrs. Clouse returns to Lindale ISD after a two year assignment in Dripping Springs ISD. We are very pleased that Mrs. Clouse has returned home to Lindale ISD. She has a wonderful reputation as a Director of Special Programs. Her servant heart and passion to help students and families is always evident in everything she does. We are certainly blessed to have Mrs. Clouse join our team and our students will be blessed by her leadership and passion."

Clouse earned her bachelor's degree in Special Education from the University of Texas at Dallas and received an MBA with a focus in Educational Leadership from LeTourneau University. She started her career as a classroom teacher, spending most of 12 years in that capacity working in Special Education.
