

Lindale ISD

K-12 Digital Citizenship 2019-2020

9 Elements of Digital Citizenship

Lindale ISD District Plan Goal

Digital Citizenship

Goal 2: All campuses will promote nurturing, safe, and secure environments for all students, staff, and parents.

Performance Objective 1: Provide a safe and risk-free environment for student learning.

Strategy 4: Provide a K-12 digital citizenship program for all students and staff district-wide.

Lindale ISD Digital Responsibility

Lindale ISD places iPads in the hands of every student in grades PK-12, and every classroom teacher. In addition, all of our students have a family or personal device in their hands outside of school.

It is our responsibility to provide resources for our students to appropriately utilize these common devices and tools. In addition, we believe it is our responsibility as a school district to provide tools and information to our staff to be able to support our students in the process.

Lindale ISD-Neptune Navigate

Online Digital Citizenship Modules

Lindale ISD has selected Neptune Navigate as our K-12 Digital Citizenship program for K-12.

- **One** online module per month for students and staff
- Lessons, activities, and assessment are all self-paced and can be completed independently or as a whole class.
- All content can be read to students within the portal
- Each campus will have a Digital Citizenship leader to provide support and information for implementation of the program throughout the school year

Comprehensive Learning Modules

Each Neptune Navigate learning module is designed to be classroom or assignment ready and take **no more than 20 minutes to complete**. The learning modules are customized by:

- Grades 1-3 (content can be used for PK-Kindergarten by the teacher as appropriate_
- Grades 4-6
- Junior High School
- High School
- Teachers & Staff

Every learning module has a video, reading material, and a quiz.

VIDEO-A 5-8 minute video on the current month's topic that is highly engaging as well as informative.(Except for AUP module)

READING MATERIAL-For staff, high school students, and junior high students, there are typically three pieces of reading material containing contemporary, real-world examples related to the current month's topic.

QUIZ-At the conclusion of each module, there is a quiz comprised of 5 randomly selected questions from a pool of 20 questions related to the current month's topic.

ALL content can be read to the student within the module if needed.
