

THE LINDALE INDEPENDENT SCHOOL DISTRICT
EDUCATING EVERY CHILD EVERY DAY

Effective immediately, media and photography access to Lindale ISD's sidelines at all football games, both home and away, is limited to credentialed local news media and our local photographers who have been issued a BLUE Lindale ISD Press Pass. Lindale ISD student photographers and videographers will also have access.

This policy helps protect our players, coaches, officials and guests, manage the number of individuals on the sidelines, and ensure our team has the space needed during pregame and game operations.

Under these guidelines, we are unable to grant your request for sideline access unless you meet the requirements above.

Thank you for your understanding and your interest in Lindale Eagle Football. We appreciate your desire to showcase our student-athletes.
